## Q&A

### How ordering works:

We accept special orders year-round! But we want to mention that we do this as a part time hobby, so we do what we can to meet everyone's needs. What does that mean? Well, we only allow so many baking slots a week...and once they are full we are considered "booked" for that week. That is why we ask for the 5 days notice if possible.

### What if I don't want a full order?

For special orders we have to do the full order option. BUT, if you want to just try our baked goods or get 1-2 items we recommend the Farmer's Market (Saturdays 9am-1pm, starting June 1st) or Wheatless Wonder's Meet-Ups (see Facebook for dates). Both of those options allow you to try a variety of our baked goods!

### Where do I pickup my order?

We do all of our pickups either at the Farmer's Market (Saturday 9am-1pm only) or inside the LaunchPad, brick building next to Giovanni's. Our general pickup time is between 8am-4pm M-F. We are more flexible for pickup times on the weekend!

### How do I pay for my order?

We accept payment at time of pickup, unless your order exceeds \$200, then we require payment before pickup. We accept Credit Cards or Cash.
